

Dear clients,

We would like to inform you that currently it is not possible to make an "Appointment" for submitting a request to obtain licenses in accordance with the "Business Establishment Ordinance", since the DEACI is currently working hard on the finishing touches of its website in order to serve you better and faster once we start receiving your online business license request(s) through the digital E-forms. We aim to introduce these E-forms by early September 2020.

We kindly request your patience and understanding as in due course you will be able to submit your request online through this new and modern system. By means hereof, the DEACI strives to assist you more efficiently.

We apologize for any inconvenience this may cause.
